**AGES & HOURS:** Julia Street Montessori School is an educational environment, which focuses on the development of the whole child, serving children between the ages of 3 - 6. The school day begins at 8:15 AM and ends at 2:50 PM. Because of the importance of having a clean and prepared classroom environment, as well as following our sanitation guidelines & rules, children are not to enter the classroom before 8:15 AM. Parents may pick up their children between 2:50 PM and 3:05 PM for a full day, and between 12:30 PM and 12:40 PM for half day.

**ADMISSION REQUIREMENTS & ENROLLMENT PROCEDURE:** Julia Street Montessori School has the following entry level skills to help the new child be successful in the classroom. The child needs to be able to accomplish them as she/he enters JSMS.

1. Follow one direction the first time it is given.
2. Use the toilet on suggestion (each time) and try to pull up own pants - not training pants or pull ups.
3. Sit for 3 min. quietly and listen to a story without interrupting those around him/her with actions or words.
4. Use words to express a choice.
5. Use words to get needs met - must be verbal enough to tell the teacher when s/he is hurt, hungry, tired, etc.
6. Use kind words and touches with friends.
7. Keep things out of his/her mouth.
8. Is comfortable leaving pacifiers, blankets, toys, dolls, etc. at home or in the car.
9. Is comfortable separating from the parent (Parent is ready to encourage them to be independent.)

To pursue enrollment at Julia Street Montessori School, you should first schedule an appointment to visit the school. At that time, you may ask for an enrollment packet. Our director will walk you through the enrollment process and answer any questions that arise. As space allows, we do allow an open enrollment during the year.

In order to enroll your child at JSMS, a parent or guardian must fill out an application to the school. This application must be turned into the director with a non-refundable deposit and registration fee. All fees and a tuition schedule are part of our enrollment packet.

**PARKING, ARRIVALS & DISMISSALS:**

Arrival - Cars should enter Julia Street from Annandale for both drop off and pick up. A Teacher will be there to greet your child. You will get your child out of the car. If your child is struggling to separate from you on a particular morning, feel free to park and come to the door with your child to help them separate from you more smoothly.

**Special Note:** There is a private drive to the left of our parking lot. Please do not block that drive as it would be a great inconvenience to our neighbors.

Dismissal - Dismissal begins at 12:30 PM (for half-day) or 2:50 PM (for full-day). If you are picking your child up at a different time than those designated, please park and come in for him or her. Please be considerate of your child and plan to be on time.

**Special Note:** There is no entrance from Hillside St. to Julia Street from 7:15 AM to 8:15 AM and 2:15 PM to 3:00 PM. During those periods, you must approach Julia St. from Annandale.

### **CAR SEATS:**

Because of various liability issues and the importance of properly placing children in car seats, our staff members cannot place children in car seats unless a Car Seat Waiver has been signed and is on file. Our staff may NOT put a child in a car without a carseat, due to safety issues. Thanks for understanding.

### **SNACKS & THE SNACK BASKET:**

A nutritious morning snack will be offered to all children. (The snack will encompass 2 to 3 different food groups.)

Families are invited to share in snack choices by taking home our snack basket once a year. Families will be given the option to take the snack basket home. In the bottom of the basket are some suggestions you may follow. Shopping together with your child for these snacks is a wonderful way to teach the joy of sharing to your child. (Remember participation is completely a choice on your part.)

**Special Note: We have children enrolled with severe nut allergies. In order to safeguard these children, we are a nut-free environment.**

### **WATER BOTTLES:**

Drinking water throughout the day is a proven method for maintaining good health. We encourage you to send a fresh water bottle daily with your **child's name and date** on it. Please wash it out and put fresh water in it each day. Please, no juice, milk, or flavored water in water bottles...just water!

### **LUNCH:**

All children will bring a packed lunch from home. This lunch should include nutritious items for your child. Juice is welcomed at lunchtime by most children. Please make sure you select a kind that is **100% juice**. Also, please choose a yogurt with low-sugar content and no synthetic dyes! Thanks for helping us. Please DO NOT send soda of any kind. Also, no candy is allowed. We do have a microwave and would be happy to heat "leftovers" for your child if you choose to send them. The state requires that 4 food groups be represented in each lunch served! Thank you for helping us with this! Lastly, please **place your child's name** on his/her lunch box. The state requires that we apply each day's date onto each child's lunchbox. Lunches are stored inside of a refrigerator until lunchtime. Organic cow's milk is offered during lunch. If you do not wish your child to have this, please clearly communicate this to your child's teacher in writing. No sharing of food is allowed between students.

### **CUBBIES:**

Your child will have a cubby of their very own. The cubby holds a complete change of clothes including a shirt, pants, underwear, and socks. This **extra clothing should be sent in a gallon zip-loc bag with his/her name on it**. Please do not overfill your child's cubby. State law requires that all clothing items, blankets, etc. not extend out of the cubby where it can touch other children's items. In light of the cubby size, please be mindful of the size of the book bag/backpack your child brings.

**REST TIME:**

Each Monday, full day children are given a clean sheet. You may send a small blanket and one small sleep friend from home. These are contained within the cot. Blankets are sent home every other Friday to be washed. **Please return on Monday!**

**SHOES:** (Optional)

When children arrive at school, they place their own shoes in their big cubby. This helps your child feel at-home and relaxed at school. **We strongly encourage you to send your child in shoes that fasten with Velcro or elastic.** This way he/she can be independent in the putting on of their shoes for outdoor play. **Note:** You are encouraged to send in a pair of slippers for wearing in the classroom.

**CLOTHING:**

We encourage you to dress your child in comfortable play clothes, that can be easily washed. We request that your child dress in clothing that is **free of “superheroes”** (We have found that wearing clothing with superheroes encourages more aggressive and divisive play on our playground), **political statements** (JSMS seeks to be politically neutral in the interest of unity & peace), and **costumes**. Please help us encourage and maintain peaceful play and an atmosphere of unity. **Please label your child's outerwear!**

**VOLUNTEERS:**

Volunteers are welcomed and appreciated in our classroom. Specific opportunities to volunteer in our learning environment will be offered to you via a form placed emailed to you. Most children really enjoy having their dad, mom, or grandparent come to their classroom. Please arrange with the teacher a convenient time to be an important part of this class. **(Please note:** We ask that you give your child the very first month to adjust to the new classroom, teachers, friends...and then we will be ready to delight in having you volunteer in the classroom!) **The lead teacher has her own volunteer form for you to fill out!** On the day that you volunteer, please sign in and out on our log. The log is located inside the front door.

**DISCIPLINE POLICY:**

A detailed description of our discipline policy is included in your enrollment paperwork. Please feel free to ask any questions you may have concerning discipline.

**MONTHLY COMMUNICATION**

Once a month, you will receive a letter with any pertinent information you may need; such as policy changes, letter of the week, upcoming events, units we are studying, etc. You may opt to have his/her letter sent to you via email, instead. Please subscribe to our Instagram account and facebook. Please check an updated monthly calendar on our website.

**LETTER OF THE WEEK:**

Each week, we will be learning about a new letter of the alphabet and things that begin with that sound. Your child will do activities and art projects that will relate to that letter. On

Friday, we will have a show and tell. Please allow your child to bring something from home that begins with that letter. It will be announced on the school board in the driveway. We encourage things from nature, photographs, and real items for show and tell. Be creative! **No toys for show and tell, please!**

#### **TOYS:**

Please, please, please do NOT allow your child to bring toys to school. It can add major conflict to our classroom dynamics.

#### **PLAYGROUND PLAY:**

We extend our peace curriculum to our playground. We encourage imaginative play within peaceful boundaries (i.e. no weapons or aggressive play is allowed.) Superheroes are not encouraged because it often leads to aggressive play. (We promote an interest in nature, creative play, and rescue heroes, instead.) We must strive for the safety of all our children at all times! Thanks for your understanding!

#### **MEDICATION:**

If your child MUST be given medication in the school day, you MUST fill out a form giving us specific permission to do so. ALL medication is locked away, except for the time it is being administered to your child. (The exception to this is an EpiPen or inhaler. Because of the need to administer it immediately, it is stored 5 ft. above the floor on top of the refrigerator.) This policy applies to insect repellent, sunscreen, and lip balm as well. (You must supply insect repellent and sunscreen; we are not allowed to provide those items per the state of NC.)

If your child falls down and gets a skinned knee, etc. at school, we are only allowed to wash the wound, administer ice to the wound, and/or bandage it. We are **NOT** allowed to remove splinters.

#### **HEALTH AND SAFETY:**

Please know that your child's health and safety are a priority for us at all times! In addition to the current training in Teacher Orientation, all staff have undergone an intensive 18 hours of on-line training for various aspects of health and safety. In addition to our monthly fire drills, we are now adding "safe place" drills, practiced three times in the school year. Also, there has been year-long planning that would include any kind of emergency. We have designated sites away from campus if this ever became necessary. These off-campus safe places include two within walking distance of our school and even one that would require vehicle transportation. Not only are these sites secured, but also preparations have been made for how to care for each child in and through that process. Please be reassured that part of this detailed plan is communication. Your phone numbers and email addresses are with us at all times. We are committed to keeping you updated and "in the loop." YOU are an important part of this plan. We do not anticipate these kinds of emergencies, yet, if they ever happened, we are ready and prepared to keep your children safe.

#### **HEAD LICE:**

Head Lice are tiny, blood-sucking parasites. They depend on human blood to survive. They are transmitted from one human host to another. If you have hair and blood, you are an equal opportunity host. Symptoms do not develop for 7 to 10 days after infestation. Having lice

is not the result of being dirty. Statistics tell us that there are over 12 million reported cases of head lice in the US. It is the number one cause of absenteeism in school.

Our Policy: A child will be sent home if head nits or lice are discovered. They may return when they are nit and lice free.

### **FIELD TRIPS:**

Occasionally we have the pleasure of taking a walking field trip. We have both in-house & off-campus field trips! Off-campus field trips are for our Kindergarten students. Field Trips are chosen with care and with the intention that it is developmentally appropriate to our children. Each child must have written permission from their parent or guardian in order to participate. We rely on parent volunteers for transportation. If you volunteer to drive, you must give the school your current car insurance information. (If a parent has received a DUI in the past three years, they will NOT be able to drive other children.) The state of NC requires that you initial a form stating you are giving that particular driver permission to ride in their car. **This will be done for every field trip.** This is a wonderful way to volunteer and experience special school memories with your child.

### **BROKEN MATERIALS:**

A very expensive and important part of a Montessori classroom is the materials. If your child breaks a material, we will ask your family to be responsible for replacing it. This helps teach your child both respect and responsibility. Thank you for your cooperation. (Please see a copy of the Broken Materials Form at the end of this booklet.)

### **BIRTHDAYS:**

When a child at our school has a birthday, we celebrate their precious life in a very special way! At Julia Street Montessori children have the opportunity to celebrate their birthdays by doing a "Birthday Circle". It is a meaningful way to further their understanding of the passage of time and a great way to introduce the concepts of months, days of the month, the earth, the sun, and how the earth revolves around the sun. The aim of this birthday tradition is to help students understand how they have grown and changed since they were born, to help them understand why they have turned a year older, and to build a sense of community in our classroom environment. This birthday ritual is typically introduced during circle time and a candle is placed in the center of the circle to represent the sun in our universe. The birthday child is invited to carefully hold the globe while the teacher explains that the earth orbits around the sun and one rotation around the sun takes one year of time. Essentially, the child's walk represents the earth revolving around the sun and another year that has passed. At the beginning of this activity, the students are told that the birthday child is waiting to be born and on his birthday, he begins to walk slowly around the "sun" carrying the globe. If a family member is present they will be invited to share memories of the day their child was born. The child will then walk around the sun one time while the students sing, "The Earth Goes Round the Sun.." After the child has walked one time around the sun, the teacher explains that now the child is one year old, everyone claps one time and then shares a picture of that child at one year old. The family member and child share a few sentences about his/her picture and discuss what he/she may have done when they were one year old, i.e., say "ma-ma", learn to walk, drink from a bottle, etc... Each time the child walks around "the sun" we sing the song, then discuss the age of the child and show a corresponding photo. When you get to the child's current age, everyone

sings happy birthday and the child gets to blow out the candle, making a special birthday wish. It is a lovely ritual and it makes the birthday child feel valued and special!

Preparing for the Birthday Circle: A birthday bag will come home with your child the week before your celebration day. Place a photo in the provided frames for each year of their life. For each year, we invite you to share special memories during that time. We invite you to bring in a healthy snack for the whole class and a favorite book or two to read. Some suggestions include, fruit kabobs, popcorn, frozen yogurt sticks, or baked goods that do not contain nuts. \*Please be mindful of cross contamination with regards to nuts if baking. We are a nut free school.

### **SIGN-OUT SHEET:**

We will be using a sign-out sheet for those times that your child stays longer than his/her normal departure time. This will help us to maintain more complete records. Thank you for your help in this matter. There will be a charge for those children who are picked-up late!

### **SCHOOL CLOSURE POLICY:**

In the event of inclement weather, we will announce our closings in three places by 6:45 AM - 1) **WLOS** (channel 13), 2) on our **message machine** at the school, & 3) the **WLOS website**. As always, our first consideration is your family's safety. Please be careful as you travel the roads to and from school.

### **CLEANING:**

We are committed to providing a clean environment for your child. Frequent dusting and washing of materials, as well as daily sweeping, mopping & vacuuming are a part of our routine. The bathroom, tables and chairs are washed and sanitized with Clorox water several times a day. Staff and children wash their hands frequently throughout the day. Students and staff must wash their hands upon their arrival to school, before eating, after using the bathroom, after playing outdoors, and any time they are dirty and need it.

Please feel free to ask if you have any questions or concerns about our cleaning routines or policies.

All of our staff have gone through background checks, and have been certified in child CPR and First Aid.

*It is our policy that our staff may NOT provide babysitting service to those families*

*currently enrolled in the school. This includes enrollment in Summer Camp. If you have any questions, please speak to the director. Babysitting can create a conflict of interest for our staff.*

#### **RELEASE POLICY:**

Children are released only to those individuals so designated by their parents or other legal guardian on the child's application form. On that form, parents (or legal guardians) give the names, addresses, and phone numbers of those who are authorized to pick up the child. The following procedure will be used if there is an emergency or need to send someone not on the form:

1. If another individual who has been previously designated by the parent on the application form comes to pick up the child, he or she will be asked to show a picture I.D. by the teacher if not known by the teacher.

2. If (due to an emergency situation) the parent or legal guardian needs to have someone other than an individual previously designated to pick up a child, the teacher must be informed ahead of time by the parent or legal guardian. When the person arrives, he or she must remain outside on the porch until the teacher has confirmed the identity with a picture I.D. The child may then be released into that adult's care.
