

Julia Street Montessori School Photo Release

Your child's experiences as part of the Julia Street Montessori School experience are a great way for us to share our program with others, including prospective families. Photos of your child may occasionally be used for outreach, social media and marketing efforts, online and in print. We ask that you complete this Consent and Release Form to grant the permission to publish photographs and videos that may contain your child's image.

I, the parent/legal guardian of the child named below, authorize Julia Street Montessori School, to photograph my child and to edit the same at Julia Street Montessori Schools discretion.

Other than as specifically set forth in this release form, I understand the Julia Street Montessori School will not release other personal identifying information of my child (e.g., name, student ID number) without obtaining prior consent.

I understand and agree that neither my child nor I will receive any payment for the use of the photo, video, or story whether distributed by print, web site, social media, or other electronic publication or other means. I hereby waive any right that my child or I may have to inspect or approve any works that may incorporate use of my child's photograph.

I consent to the taking and use of the photographs of an article or information as described above. I have read the above Consent and Release, I am familiar with its contents, and I understand that this is a release of liability.
